The Dotted Line: When Should Contractors Use COVID-19 Liability Waivers?

Richard Reizen

Construction

Rich Reizen, Chair of Gould & Ratner's Construction Practice, talked to *Construction Dive* about changes that contractors likely will encounter moving forward through and after the pandemic, however, will be in their contracts, both between the owner and general contractor and between the general contractor and subcontractor. In a previous *Construction Dive* article, Rich mentioned that there could be a number of possible scenarios, and that owners would probably look for more flexibility to accommodate pandemic-related disruptions.
